Dear Parents,

Each year we hold our fundraiser, the Junior Lifeguard Swim-Paddle-Run Triathlon. Historically, this has been an extremely popular event with neighboring JG programs also in attendance. In addition to JGs competing, parents and adults are encouraged to join in the activities and fun. Every Junior Lifeguard in our program is expected to compete and is asked to raise a minimum donation of \$25 from collected sponsorships. This year, the event will be held August 2<sup>nd</sup> at our Carpinteria City Beach.

Under this sheet I have included a little speech and a list where the kids can keep track of who and what people have donated. I encourage them to call or visit family members and friends. This money helps pay for future competitions, camp-outs, equipment, and our end of the year party. There will be some great prizes for the kids that raise the most money.

The 3 JGs who raise the most money will get to choose a prize from the raffle table before the raffle begins!

Along with the actual triathlon we will be holding flag events for every age group. Awards will be handed out after the competition is over. Following the awards ceremony we have our Raffle Extravaganza. Local businesses have donated tons of awesome prizes. Prizes include gift certificates to local eateries and surf shops, gift baskets, clothing and much more! Every competitor is given a raffle ticket upon registration, and many more will be available to purchase (\$1 each or 6 for \$5).

All proceeds benefit our program, so we hope to see you down at the beach joining in on the fun! If you have any questions call or e-mail me any time. Thank you for your participation and support!
