The California Department of Housing and Community Development (HCD) is the grantee of CDBG-DR funds allocated by the U.S. Department of Housing and Urban Development (HUD) as a result of the 2017 disasters. HCD works with local governments and organizations to fund programs that provide long-term recovery assistance for housing, infrastructure, and economic revitalization. At this meeting, HCD will discuss proposed recovery programs, eligibility for the programs, and the timeline for funding.
